## ECONOMY OF LOVE

Easter at SEKEM/Egypt

27 March - 8 April 2026

A journey to ourselves – a community-building process and a pioneering ecological, social, and entrepreneurial lighthouse project inspired by the Economy of Love concept.

Mindful Movement

Join us in Egypt to explore the award-winning desert miracle SEKEM and experience the power of connection and transformation on our shared Easter journey. LEAN-IN weaves together Mindfulness, Theory U, and Lewis Deep Democracy-CoResolve into a profound practice path, offering tools for a new culture of dialogue and effective decision-making.
